1. Ordering a Sized Seat

If a sized Testa-Seat fits your child, simply select the appropriate size by marking the size circle above. You can also add any additional accessories if needed.

2. Adustament

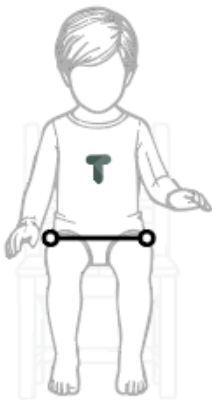

If your child fits within one of the available sizes but needs minor adjustments, choose the size that fits them best. Then, specify the necessary adjustments using the (-/+) options. Make sure to indicate whether your child requires a size slightly smaller (-) or larger (+) and circle the relevant measurement in either inches or centimeters.

						
			Petit	Small	Medium	+/-
	1	Seat Width	7.5in	9.05in	9.90in	
		Hip Width	19.0cm	23.0cm	25.0cm	in/cm
	2	Chest Width	6.9in	8.1in	9.05in	
		Axilla	17.5cm	20.5cm	23.0cm	in/cm
	3	Side Height	7.1in	8.2in	9.45in	
		Seat to Axilla	10.0cm	21.0cm	25.5cm	in/cm
	4	Seat Depth	9.8in	10.9in	11.8in	
		Back knee to Back	25.0cm	27.7cm	31.0cm	in/cm
	5	Back Height	10.5in	11.8in	13.8in	
		Seat to Neck	27.0cm	30.0cm	35.0cm	in/cm

3. Full customization based on body measuring

If no seat size fits your child, you can take precise measurements using a caliper. Be sure to measure your child while they are seated, and record the exact body measurements (Actual).

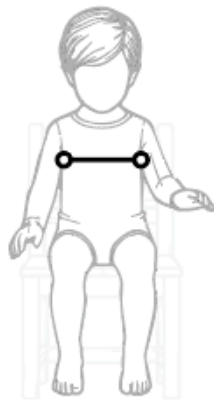

If any adjustments are needed, please specify the measurement along with how much you'd like to add (+) or reduce (-) from the actual size.
